ROOM RENTALS: CHARTERED STUDENT ORGANIZATIONS

A Chartered Student Organization may reserve space in the SUB, at no charge, for meetings and/or events specific to the Chartered Student Organization. For each student organization requesting meeting and/or event space in the SUB must have a current (updated each academic year) charter form on file with the Student Activities Center listing those individuals authorized to schedule space in the SUB. Only those persons listed on the Student Organization Charter form are authorized to schedule events. An officer of the Chartered Student Organization must acknowledge awareness and support of each scheduled event and must sign the rental agreement.

For any organization wishing to reserve more than three (3) rooms, the student organization must submit an Exemption Request Form otherwise; the Student Organization Room Rental Rate will apply for each room in excess of the allotment. Reasonable accommodations will be made for usual circumstances and will be determined by the Event Planning Manager.

If a student organization is requesting rooms in the SUB for the purpose of a conference-like event, the student organizations must submit an Exemption Request Form. The request will be considered by the Event Planning Manager.

REGULARLY SCHEDULED MEETINGS CANNOT BE BOOKED IN THE BALLROOM. THE BALLROOM IS INTENDED FOR SPECIAL EVENT ONLY. Some set up for audiovisual equipment and security staff charges may apply.

For more information on rooms available for booking, size and capacity, click here or contact our UNM Event Planning/Scheduling Office.

Room rental fees are waived for all Chartered Student Organizations with the following exceptions:

- When an admission or registration fee is charged, the organization will be charged the Student Organization Room Rental Rate. Exceptions will be made for organizations that order catering for their SUB event and are charged a participant fee only to cover the cost.
- Additional fees may be charged for AV technicians, stage set up, additional staff/staff overtime, additional building hours (hours needed before or after normally scheduled building hours) and other related costs necessary to accommodate the event requirements.
